Question 1: You indicated that you take vacations at home. Who are the people you meet and spend time with on your vacation?

Answer:
On my home vacations, I hang out with family and friends. We play games, have meals, and enjoy each other's company. It's a time to relax and make special memories with the people close to me.

Question 2: Describe exactly what you did during your last vacation at home. Tell me what you did from the first to the last day. Talk about all the people you saw and what you did with them.

Answer:
My last home vacation was awesome! I had a barbecue with family, went on a bike ride with a friend. Later, I played board games with friends. The last day was chill, just reading a book. It was a perfect mix of fun and relaxation with loved ones!

Question 3: Could you tell me about an unusual or unexpected experience you had during a vacation you had at home? What happened? Who was involved? Why was this experience so memorable?

Answer:
On a recent home vacation, I tried a new recipe but accidentally used salt instead of sugar in the cake. My family and I had a good laugh about it, and even though the cake was a flop, it turned into a fun and memorable night.

Good luck For Your Exam!
