**Question 1: Where do you go when you go shopping for something?**
**What do you buy when you go there?**
**What is special about that place?**

Answer:
When I go shopping, I usually head to the local stores or the mall. I buy different things depending on what I need, like clothes, food, or household items. The special thing about these places is that they have a wide range of products, and I can find everything in one convenient location.

**Question 2: Think of your early memories of shopping.**
**Was there a store you remember from your childhood?**
**What did it look like and what was your impression of that place?**
**Describe that place for me in detail.**

Answer:
As a kid, there was a small, colorful store near my home. It had toys, snacks, and other things. The cashier was always smiling.A bell rang when the door opened. I loved the rows of colorful candies. It was a cozy and friendly place with everything I liked.

**Question 3: Sometimes, funny or unexpected things happen while shopping.**
**Tell me about a memorable shopping experience you had.**
**Maybe you saw a friend at a store, maybe the item you bought was broken or did not work.**
**Tell me about a shopping trip that you remember for some reason.**

Answer:
One day, I went to buy a new shirt. I got the wrong size, and when I tried it at home, it looked too big, like a tent! I had to go back to the store and exchange it for the right size. It was funny, and I had a good laugh about it.

**Question 4: When was the last time you went to shop for something?**
**Where did you go and what did you buy?**
**Who did you go with?**
**What was special about that shopping experience?**

Answer:
Yesterday, I went to the mall to buy new shoes. I needed comfy ones for walking. I went with my friend, and we had fun checking out different stores. Finally, I found a cool and comfy pair on sale, which was great.
