Question 1: Tell me about one of the rising industries in your country. Why is that industry famous and what is special about it?

Answer:
Renewable energy is a rising industry in my country, known for clean and sustainable power like wind and solar. It's special because it helps the environment and lessens dependence on non-renewable resources.

Question 2: "Talk about a well-known company in the industry you just mentioned. What is special about that company?

Answer:
A famous company in renewable energy is SolarTech Solutions. What's special is their affordable and efficient solar panels for homes, making clean energy accessible. They're known for being eco-friendly and making a positive impact.

Question 3: Tell me about the benefits that industry provides. What kind of good is it doing for your country?

Answer:
Renewable energy benefits my country by reducing pollution, improving health, and creating jobs. It's good for the environment and our economy.

Good luck For Your Exam!
